Dear Ronnie,

Thank you so much for all of your help with Preston's Bar Mitzvah Party on Saturday, March 5, 2011.

We could not have been more thrilled with the fabulous photo booth you provided for our event. The props also added a huge element of fun for all of the guests.

The book created through the course of the night with the doubles of the pictures taken at the event has been the best keepsake ever! My son has loved flipping back to see how crazy his friends and family got, and we all have enjoyed reading what they had to say. It was also nice to know that you had representatives at our event overseeing the activities going on in and around the photo booth. (We can't wait to see the DVD to check out the images we have yet to see!)

We truly can't thank you enough for fitting us in to your busy schedule to have your booth at our event. We knew it would be fun, but we had no idea how significant a photo booth could be to a party. From our 5-year-old daughter, to my 75-year-old father, everyone made it into the booth, providing amazingly memorable pictures that we will cherish for a lifetime.

So, as we looked back at the night we realized how much we really wanted to say thanks. Please pass along our appreciation to the rest of your team at Foto Boyz. We will definitely recommend your company to others, and with two more Bat Mitzvah's still ahead of us, you will be among the first people we'll call.

Thank you once again for helping us to create an event our son, and guests, will remember forever!

Respectfully,

Michelle & Robert Kirschner
